VERY LATEST NEWS.

Prespective at the seath

NEW YORK, November 11

A letter from Macco, Ga, easys The evidences

Fretursing prosperity in the South are specially
noteworthy Although the cotton crop is much
less than the planters expected to gather, and
the price is much smaller than they hoped to receive yet the country generally is prospona.
During the past week a large proportion of the state of
their metchants and Every role was paid in tail
at maturity. The laborers are contented, and
not withstanding the recent Labor Convention,
are contracting largely to work another year
with the same 'unployers The laborers who
made these re engaquements were well and fairly
treated, and were liberally compensated. The
country is perfectly transquit, and there are re
markshy few cases of critic are selter as poken

having been forged, and it is alleged that the ev idence will be produced to show that he negotia Cuban rebels were about to commence the destruction of the crops upon the laland. Presi ident Cespodes has lessued a proclamation order ing the destruction of every stalk of sugar case on the laland, and preparations were being made for carrying out this order, and disabling or destruction of property will be immense, and it will require years to repair such a work of destruction. The reasons which Caspedes gives for recommending this course of action are that "the more effectually this work of destruction is accomplished, the more awiftly will our holy cause be ad vanced, and the more quicely will be vanced, and the more quicely will the goal of freedom be reached." The Cubans are thorough

freedom be reached. The Cubans are thorough does mean to tither have the 1-land free, or to sender it a nearly as possible valueties to Spain The Spaniards cling to Cuba on account of the tandsome revenues they have annually received rom what they have termed the "ever faithful sie, and in decreasing the financial value of the sided to Spain the insurgents will accom-plish considerable toward discouraging the soulards from concerning the state. long war for a barren prize, and the Cubaus ex pect that the adop ion of this programme by them will both shorten the war and aid in bring
